The Griz Club is proud to support all levels of the Franklin Football Program from the youth league to the varsity football team. The Griz Club is an organization of alumni, parents, and community supporters dedicated to promoting excellence in the Franklin Football Program. Our primary goal is to provide the program with anything they need to become a dominate football program. Members play a vital role in supporting the program each year through annual dues that support the organization and provide non-budgetary items to the program, such as additional coaches, video equipment, highlight services, and weekly pre game meals.
