

## Welcome to Grizzly Cub Football

On behalf of the football team and parents, we invite you to become part of the Franklin Football tradition and help support all levels of our football family. Our mission is based on the values of family, successful attitudes, and team chemistry. We believe in honesty, integrity, strength of character, and confidence. We teach overcoming adversity, establishing priorities, goal setting, and the value of hard work.

The Griz Club will coordinate many fund raisers and activities throughout the year and we hope you will join us in volunteering and participating to help these be successful. In addition, the Griz Club provides financial support essential to a successful program. This might include financial assistance for items like equipment upgrades, cameras and AV equipment, additional coaching staff, support for players in financial need, etc.

For more information or questions please email: [FranklinGrizClub@gmail.com](mailto:FranklinGrizClub@gmail.com)

To Our Grizzly Cub Football Family,

The Griz Club plays a crucial role in the support of our football program and your personal support and involvement is both greatly appreciated and much needed. As we look forward with excitement and energy towards the 2021 football season, we would like to thank all of you - our families, our fans, and our former players - for your generous support of the Griz Club and FCHS Football!

As players and coaches, we are honored to represent this great football community on the field. Thank you for your generous support.

The FCHS Football Staff
